

To Whom It May Concern:

I beg you to understand the importance of K-LOVE radio to us & to many of our friends that listen to the Christian radio. To alter this station is to effect ours and many other's rights to free speech & to listen to what truly is a positive radio station. We listen as many have the right not to listen. Please hear our plea to allow us to listen to programming that we support financially & with all our hearts. We thank you for this consideration. Mary & Joe Lander of Whiting, IOWA.
